Reflective Questions

“Before I formed you in the womb, I knew you, before you were born I dedicated you.” Jer. 1:5

1. Many people struggle with the question of what their purpose is in life. Deacon Larry says that the answer to this question can be difficult to find if our hope is in something other than Jesus Christ. How firmly have you placed your hope in Jesus? Are there other more worldly ends that compete for first place in your life?

2. Deacon Larry discusses some areas of our life we can look at to help us know what our purpose is. What are some things that make you laugh, make you cry, or move you deeply? What things do you think about most often in your free time?

3. Even after we have discovered our mission, sometimes God gives us a change in plans or tweaks our mission along the way. Has God ever surprised you in such a way before? How did it change your life or the lives of those you interacted with?

4. It is never easy to carry out the mission God calls us to because the world, the flesh, and the devil often get in our way. What are the biggest obstacles you face in your life and in carrying out what God calls you to do?
