Reflective Questions**

“If you habitually meditate upon God, your whole soul will be filled with him, you will learn his expression, and learn to frame your actions after his example.”

St. Francis de Sales

1. Have you engaged in meditative or imaginative prayer like this before? What was that experience like for you? How might this practice enhance your experience of Advent?
2. What did you see when you recreated the scene of the Nativity in your mind? Where were you in the scene? What stood out to you the most?
3. Was there something you wanted to give to the Lord as the Wise Men presented their gifts? What was it?
4. What might God be speaking to you through your imagination?
